

GCC2026 Scavenger Hunt

Welcome to GCC2026's Scavenger Hunt. We welcome everyone to join.

Instructions: Create a google folder with your Team Name. Share this folder with your teammates AND jenv75@gmail.com. "Teams" can consist of just 1 person or more. You will have until 11:30am on Wednesday June 24th to upload photos of the clues to your folder. Points will be counted and winners announced at closing remarks on June 24, 2026.

Rules: Photos taken before the start of the conference on June 22nd will be ineligible. All entries must be submitted by June 24, 2026 11:30.

1. Take a photo with 3 conference attendees from 3 different countries.
2. Here's your Michelin moment. Find anything related to Michelin or tires and take the most creative "traveling scientist" photo.
3. Find from where this view of Clermont-Ferrand has been taken and take a picture of you with it in the background.

4. Take a selfie with a GCC2026 Organizing Committee Member. Bonus point if there are multiple organizers in the picture.
5. Walk toward the tallest structure on campus. It's not a building, but it reaches for the sky and is often used for research. Identify what this structure is used for (e.g., weather, astronomy, etc.). Take a photo with it in the frame.
6. Take a photo at a café pretending to have an extremely serious academic debate. Bonus point if a local joins in on the fun and gets in the picture.
7. Search for a sculpture, mural, or piece of public art on campus. It might be abstract or represent something symbolic. Take a photo with it.
8. Strike your most heroic pose beside the statue of Vercingetorix.
9. Take a photo of a building with a unique architectural feature (e.g., a dome, unusual shape, or colorful design).

10. Croissant Challenge! Photograph your team holding pastries like they just won Olympic medals.
11. Find street art or a mural and recreate it with your team.
12. Say CHEESE!! Find local cheese or a cheese shop and take your fanciest tasting photo.
13. *Find the largest green space or park on campus. It's a popular spot for students to relax between classes.* Find a unique plant or tree in this area and take a selfie with it. What is the name of this green space (if any)?
14. Take a group selfie with a statue without blocking the statue's face.
15. Find a building made from Clermont's famous black volcanic stone and recreate a dramatic "gothic movie poster" pose.
16. Find the Institute named from a famous local mathematician, physicist, inventor, and philosopher and take a picture of the building.
17. BONUS POINTS!!!! Take a picture with a Cow.
